# Working with us

We work at the highest levels of leadership to create tangible and enduring business impact. As a firm, We are

- Professional : SimplyNaukri.In is a true professional services firm, passionately devoted to your success, ethical in our actions, and meticulous in our methods.
- Personal : We develop deep and meaningful knowledge of your challenges, offer honest guidance, and provide true support.
- Capable : We work in teams to combine cutting-edge, world-class research capability with the rich insights and sound judgment of our worldwide network of experienced consultants to provide you with outstanding quality of information and consistently superior value.
- Collegial : Our consultants generally stay with the firm for many years. We operate as a single firm and share compensation, enabling us to build authentic long-term personal relationships with clients, candidates and each
- Client Focused : Unlike the traditional model of search consulting, we charge a fixed fee for our assignments. That means our only incentive is to deliver what's best for you.

If it's outside your scope, it's probably within ours.
